ORDER GRANTING MOTION TO DISMISS COMPLAINT
WITH PREJUDICE

The parties' joint motion to dismiss the Complaint is granted. The motion stated that Respondent had advanced a reason why it was not subject to the statutory requirements that it was charged by the Complaint with having violated, but that it has agreed voluntarily to comply with them in the future. These statements provide an adequate ground for granting the parties' motion to dismiss the Complaint.

Counsel for each party confirmed in October 20, 1994 telephone calls to this Office that the dismissal should be with prejudice. Accordingly, as stated in the title of this Order, the Complaint is dismissed with prejudice.
